- If you have answered "Yes" to any of the above questions and the symptoms are not related to a preexisting condition (e.g. allergies) your child should **NOT** come to school.
- If they are experiencing any symptoms of illness, contact a health-care provider for further assessment. This includes 8- 1-1, or a primary care provider like a physician or nurse practitioner.
- If you answered "YES" to questions 2 or 3, use the <u>COVID-19 Self-Assessment Tool</u> to determine if you should be tested for COVID-19.
- Your child should return to school only when their symptoms have subsided or they have been cleared to do so by your family physician.
