FREE Online After-School Program for Kids (Grades 1-8). MetaLingo is back for the 2024-2025 school year!

This FREE innovative program combines avatar-based and experiential learning, offering students live homework help with tutors for English, French, and Math. This gamified virtual classroom, now enhanced with social-emotional intelligence (SEI) components, ensures your child receives a well-rounded educational experience that fosters both academic success and personal growth.

Classes run from Monday to Thursday, 5-8 PM.

At MetaLingo, they believe learning should be fun! From animated stories to interactive activities, this program helps students master the basics. Tailored by live tutors, their program fosters personalized learning, providing your child with essential cognitive skills, including problem-solving, creativity, and critical thinking.

Benefits:

- Absolutely FREE!
- Super engaging lessons with awesome live tutors.
- Master French, English, and Math while having a blast!
- Personalized learning for a boost in cognitive skills.

Join the MetaLingo movement for accessible, quality language education!

Grade 5/6

Division Two was busy with essay and comic strip writing. It had been a lot of pencil, paper work over the past month. For the last week of school it was time to do something "hands on". Students followed a recipe to make dough ornaments with nature prints, and we painted them to look festive.

Grade 6/7

Our school collected 514 lbs of food in a week and a half. The grade 6/7 students were so proud to have organized this endeavour to support our local food bank & to help community members in need.

Grade 1/2

Students worked on two different STEM projects. They had to help Santa get into chimneys by designing a working parachute. They also had to build a reindeer with a red nose to help guide Santa through the fog. Once they completed one project, they were able to move on to the second challenge.

Busy December!!!

Colletville staff and students had a busy two weeks before the winter break. Enjoying a delicious turkey luncheon, performing at the winter concert, making purchases at the Gift Giving Extravaganza and enjoying a movie afternoon in pyjamas all made the final schools days fly by!
