## Promotional Videos

School District 58 welcomed videographers Serge and Rodolphe Bartamian on site for two days of recording before spring break. Day one consisted of individual staff, student and parent interviews. Day two was all about capturing students & staff in action in our beautiful schools and community! The Bartamian brothers are now working hard to produce two promotional videos for SD 58: one for families considering enrolling in French immersion and one for prospective teaching candidates. We cannot wait to see the final products!

## Grade 7 Visits at MSS

Our French Advisory Committee is trying to find ways to encourage our students to stick with our French immersion program through to grade 12 graduation and to achieve their bilingual diploma. One idea was to have grade 7 students make a few visits to the MSS French immersion classroom; allowing students to get a feel for the F.I. classroom, to ask questions, to make a connection with Mme Warren, to

reconnect with their older F.I. peers and to get excited about continuing their French immersion journey! Mme Warren and our grade 10/11 students hosted Mme Tancowny and the grade 6/7 students for the first time on March 14. It was a great experience and everyone involved is looking forward to the upcoming visits! Un grand merci to Mme Warren and her students for the time and energy they are putting into this wonderful project!

## Handball

The elementary handball season wrapped up with a couple of round robin tournaments on March 5 & 7. Our grade 4/5 boys team was coached by Mme Livesey and our grade 4/5 girls team was coached by Wes Wall and Jenn Halliday with support from our teacher sponsor Mme Sigurdsson. Thank you to these amazing adults for volunteering their time to our youth athletes! Bravo to our handball players who have worked hard on developing their handball skills and very well represented Colletville!
