Bright Futures Ahead

On June 16th, MSS proudly hosted its annual Scholarship Night, a special evening dedicated to recognizing the hard work and accomplishments of our graduating students. Family, staff, and community members gathered to celebrate as scholarships and bursaries were awarded to deserving students. We are grateful to all the local organizations, donors, and supporters who make these opportunities possible. Congratulations to all recipients—your dedication and effort have truly paid off!

Battle of the Grades Returns!

The Battle of the Grades was a high-spirited showdown filled with laughter, competition, and serious school pride! Students from each grade faced off in a series of wild and wacky challenges all in pursuit of ultimate bragging rights. The energy was electric, the cheering was loud, and the friendly rivalries were fiercer than ever.

Health Promoting Schools

When young people face challenges, it can be hard to know what is going on and how to help. Having a conversation is a great place to start. It lets them know they don't have to deal with challenges on their own.
